REFINED HANDCRAFT TECHNIQUE

The streamlined design of this bed exudes myriads of class and sophistication. Its wood structure gives it the necessary rigidity, and its padded headboard upholstered in high-quality materials ensures a comfortable reading position.

The slender but strong legs finished in burnished brass are all about aesthetics that complement its slimline silhouette.

El diseño coordinado de esta cama emana clase y sofisticación. Su estructura de madera le otorga la rigidez necesaria, y su cabecero acolchado y tapizado en materiales de alta calidad asegura una cómoda posición de lectura.

Las patas delgadas pero fuertes acabadas en latón bruñido son completamente estéticas y complementan su silueta estilizada.
