BRIDGE CONCRETE DINING TABLE

DESIGN BY

A BOLD STATEMENT, A PIECE WITH A REFINED CHARACTER

Our Bridge concrete dining table is an eye-catching juxtaposition. Dark Mocha Solid Oak resting upon a modern Burnished Brass base, against its solid Concrete tabletop, projects a timeless, daring and intriguing luxury.

Its industrial minimalism will surely create a statement in any ambience or modern space.

Nuestra mesa comedor de hormigón Bridge es una yuxtaposición llamativa. El roble macizo mocha oscuro que descansa sobre una base moderna de latón bruñido, contrastado con su tablero de hormigón macizo, proyectan un lujo atemporal, atrevido e intrigante.

Su minimalismo industrial seguramente creará una expresión de estilo en cualquier ambiente o espacio moderno.
