MEDINA COFFEE TABLE

DESIGN BY

A BOLD STATEMENT, A PIECE WITH A REFINED CHARACTER

Crafted from authentic Volakas marble, this contemporary coffee table is as chic as it is functional. The elegant steel base in a burnished brass finish and handcrafted natural marble top gives a luxurious feel to your ambience décor.

A unique piece that is suitable for residential or commercial settings.

Hecha a mano con auténtico mármol Volakas, esta mesa de centro contemporánea es tan elegante como funcional.

La elegante base de acero con un acabado de latón bruñido y la parte superior de mármol natural hecha a mano le dan un toque lujoso a la decoración de su ambiente.

Una pieza única apta para entornos residenciales o comerciales.

REFINED HANDCRAFT TECHNIQUE

The streamlined design of this coffee table is inspired by modern pieces, sleek, parallel lines that are offset by the smooth finish of the Volakas marble and accented with the Burnished Brass base

The marble's veins alternate in thickness and length and the variation of the pattern provides a striking contrast to Medina's coffee table simplicity.

El diseño coordinado de esta mesa de centro está inspirado en piezas modernas, líneas paralelas elegantes que se compensan con el acabado liso del mármol Volakas y se acentúan con la base de latón bruñido.

Las vetas del mármol se alternan en grosor y longitud, y la variación del patrón ofrece un sorprendente contraste con la simplicidad de la mesa de café Medina.
