REFINED HANDCRAFT TECHNIQUE

The streamlined design of this bookshelf is inspired by modern pieces, sleek, squared-off shapes are offset by dark, distressed finishes and accented with the metal structure.

The wood's dark finish provide striking contrast to Avenue's bookshelf simplicity.

El diseño coordinado de este librero se inspira en piezas modernas, pulcras y con formas cuadradas, que son compensadas por líneas oscuras que se asientan con su estructura metálica.

El acabado oscuro de la madera provee un llamativo contraste a la simplicidad del librero Avenue.
